To whom it may concern:

We are a consulting firm for the below listed school CRN # 16063099. There was a change of staff last year and in the transition were unaware until today that the invoice filing for the 17/18 school year was not completed before the October 28, 2018 dues day. We are asking for a waiver to get an extension so that we can submit all required documentation for the district.
